 - A. Presentation of the Tentative Budget for Fiscal Year 2022/2023 - County Administrator Wes Moreno

Wes Moreno - Mister Chairman, Commissioners: This is the first of two required Public Hearings for the Board to adopt the Fiscal Year 2022/2023 Budget. The Board later in the meeting will set the second Public Hearing.

The Escambia County Board of County Commissioners (BCC) approved the 2022/2023 tentative millage rates for TRIM notification purposes at the BCC meeting held on July 19, 2022.

The law requires that prior to consideration of the tentative budget, an explanation of the “Rolled Back Rate” be provided and entered into the records. The “Rolled Back Rate” is a computed millage rate that would generate the same amount of Ad Valorem tax dollars as the prior Fiscal Year, based on the proposed year’s tax roll, excluding new construction.

The millage rates tentatively approved by the Board for TRIM notification are 6.6165 for the County-wide millage rate, .359 for the Library Municipal Services Taxing Unit (MSTU) and .685 for the Sheriff’s Law Enforcement Municipal Services Taxing Unit (MSTU). The aggregate of these millage rates proposed for Fiscal Year 2022/2023 is 13.20% above the “Rolled Back Rate” of 6.5969, certified by the Property Appraiser. This represents the percentage increase in property taxes tentatively adopted by the Board.

For information and to avoid any misunderstanding concerning the process of this meeting, this Public Hearing is convened tonight to discuss the County's Fiscal Year 2022/2023 Budget. Because of time constraints, we will need to confine our discussion to this subject. Increases in property assessments, remarks or questions concerning individual property appraisals should be addressed to the County Property Appraiser at his office during normal business hours.

B. Questions/Discussion from the Board - Chairman Jeff Bergosh

II. Community Partners Discussion - Wes Moreno, County Administrator

Wes Moreno - Commissioners, we will need the Board to make a determination tonight regarding the funding amount to be allocated to each of our Community Partners. This funding determination is necessary in order to prepare the Fiscal Year 2022/2023 Community Partner Funding Agreements and issue the associated Purchase Orders in a timely fashion. These Purchase Orders will come before the Board for formal approval in October 2022.
