III. CAT For Information

1. Recommendation Concerning *Otis Lee Wilson, Jr. v. Robert Kyles, et al.*; Case No. 2019 CA 001316.

That the Board accept the following information:

Co-defendants Jason and Michelle Loriz own residential property in Escambia County. In February 2018, the Lorizes contracted with Plaintiff Otis Wilson to perform construction work on their home. Wilson led the Lorizes to believe he was a licensed and insured contractor. When the Lorizes were unsatisfied with the quality of work Wilson performed, the Lorizes filed a complaint with the Escambia County Building Services Department.

Defendant Robert Kyles, a now-retired County employee, investigated the claims involving Otis Wilson. Mr. Kyles provided his findings to the Florida Department of Agriculture, and the agency provided additional information to the Florida Department of Financial Services. Both agencies issued probable cause affidavits for various criminal violations, and two arrest warrants were issued.

Otis Wilson was later arrested and charged with multiple counts involving contracting without proper registration or certification and failure to secure worker's compensation coverage. Wilson later pled to lesser offenses and was sentenced to probation.

Thereafter, Wilson sued County employee Robert Kyles and the Lorizes alleging defamation, libel, slander, bribery, and civil rights violations. The County Attorney's Office filed and argued multiple motions to dismiss on Robert Kyles' behalf, which were granted with leave for Wilson to amend. Because Otis Wilson was *pro se*, the Court afforded him several opportunities to file a legally sufficient complaint.

Wilson filed his fourth complaint in April 2022. Following a September 21, 2022, hearing on Mr. Kyles' fourth motion to dismiss, the Court granted the motion with prejudice, thereby concluding the litigation.
