8. Written Communication.

- I. Partial Lien Release Concerning Property at 10516 Lillian Highway resulting from a Special Magistrate Order at 1014 North 60th Ave (Commissioner District 2)

Recommendation: That the Board review and consider the partial lien release request made by Gary W. Huston on behalf of his client, Elmer White, Personal Representative of the Estate of Karen White Hargrove, for the property located at 10516 Lillian Highway. The property in violation is at 1014 North 60th Ave and is in Commissioner District 2.

After reviewing the request for forgiveness of lien, staff made the determination that the request does not fall within the criteria that would allow the County Administrator to act on the Board's behalf and grant relief, in accordance with the Board's Policy, "Guidelines for Relief from Environmental (Code) Enforcement Special Magistrate Liens" Policy, Section III, H2.

Motion: Move to give the partial lien release with the condition that there is \$17,500 escrowed from the proceeds of the Lillian Highway property

For Information: Commissioner Bender clarified that the motion was essentially one and two as described in the backup with the amount increasing to \$17,500. The Board discussed that there would be additional action coming back once the property was in compliance to cover the hard costs and would include ensuring that the demolition is done to the County's standard; any remaining funds from the escrowed \$17,500 could then be released after the demolition and hard costs are covered.

Made by: Commissioner Barry

Seconded by: Commissioner Bender

Disposition: Carried 4-0, with Commissioner Underhill absent
